Bench Dedication:
On October 10th the museum accepted the transfer of magnificent bench honoring the memory and service of Ms. Kennetha Klein. Kennetha was a well-know and beloved psychiatric nurse at the VA Central Iowa Health Care System. Kennetha also volunteered at many events at the Iowa Gold Star Military Museum. At the ceremony, Kennetha's Nursing License was ***retired*** by the UnityPoint Nurse Honor Guard.

Thank you to Ms. Kennetha Klein for her dedicated service to nursing and our veterans. We would also like to thank the Daughters of the American Revolution, Camp Dodge Chapter for the bench honoring their beloved daughter.
